

Contract Job Opportunity August 26– August 29, 2019

Choreographer / Artist Director

STARSkate Stars On Ice Summer Camp, CFSC - RIM PARK, Waterloo

Contract amount \$1800

Kitchener-Waterloo Skating Club is accepting applications for the role of Artistic Director for our “STARSkate Stars on Ice” Camp. This camp will be hosted at the Carolyn Fedy Skating Centre in Waterloo from Mon August 26th – Thurs Aug 29th from 8:30am to 4:30pm.

The Artistic Director will plan and produce 4 full days of on and off ice activities culminating in a small ice show. Skaters enrolled in the camp will pick music, plan simple costumes and create numbers that reflect the skater’s skill level. These groups will come together on the 4th day of camp to perform as a “cast”.

The Artistic Director will be required to work with the skaters during approximately 18-22 hours of ice time and plan and oversee the off ice activity. We are focusing on the skaters having fun, using their skating skills and being involved in the decisions in the development of the show. The Artistic Director will select and direct 2 to 4 senior skaters (pending registered # of skaters) as program assistants on-site, working both on and off the ice with the skaters.

To apply please include in your resume your show experience as a Director/Coach, teaching level, possible theme ideas and other creative suggestions and appropriate references. **Applications are requested on or before April 29, 2019.**

Resumes can be sent to hire@kwsc.org or dropped off at the KWSC office addressed to Pat teBoekhorst.
