

Contract Job Opportunity August 23- 26, 2010
Choreographer / Artist Director

Kitchener-Waterloo Skating club is accepting applications for the role of Artistic Director for our Star Skate “Stars on Ice” Camp. This camp will be hosted at the Carolyn Fedy Skating Centre in Waterloo, August 23rd – August 27th.

The Artistic Director will work with the Camp Director to plan and produce a small ice show at the end of the camp. Skaters enrolled in the camp will be grouped and with the Directors help, pick music, plan simple costumes and create numbers that reflect the skaters skill level. These groups will come together on the 4th day to perform as a “cast”. Day 5 (the 27th) will be run by the Camp Director as a wind down party and clean up day, the choreographer will not be required to attend that day.

The Artistic Director will be required to work with the skaters during approximately 16 hours of ice during days 1 through 4. We are focusing on the skaters having fun, using their skating skills and being involved in the decisions in the development of the show. There will be senior skaters on-site, on and off the ice to help work with the groups.
