~ This program is a community based program that is supported by the cities of Kitchener & Waterloo. There is a large teacher to skater ratio.

~ This program is offered in two, nine week sessions (Fall & Winter), throughout arenas in the Kitchener-Waterloo area.

~ All Learn to Skate sessions are taught by paid, certified Skate Canada coaches from the KWSC, along with trained Program Assistant helper coaches.

~ A brief information meeting is held at each arena before the session begins the first day. Please look for information posted on your rink bulletin board each week.
