

**The Kitchener-Waterloo Skating Club welcomes you to our programs!  
Below are a few reminders/tips.  
A schedule of all skating class dates & relocations is on the reverse side.  
Please feel free to contact our office with any questions or concerns.**

**NAME TAGS**

A name tag is provided to your skater at registration for each program he/she is registered in. Your child is required to wear their name tag to every class. **Please note that if you do not wear your name tag on the first day of skating, your child will not be allowed on the ice.**

**EQUIPMENT**

A CSA approved helmet is MANDATORY for our Preschool & Parent & Tot skaters. We strongly encourage the use of helmets for beginner skaters.

Skaters should dress warmly with clothing that allows them to move freely (please no snow pants) and wear mittens/gloves on their hands for added protection. Please have your child's skates sharpened before the first class.

A list of reputable skate sharpeners is available at the KWSC office.

**PROGRAM CANCELLATIONS**

For program cancellations due to weather conditions, please listen to 570 News or 96.7 CHYM FM or check their website:

**INFORMATION/BULLETIN BOARDS**

Each arena has a KWSC information board. Please check this board each week for program changes, general information and special event information.

**Please try to be on time for the start of each session; everyone's skating benefits from a proper warm-up. Parents are asked to remain in the rink while their child is skating in case of emergency or they need to use the washroom.**
