*Passion Lives Here.*

# Showcase Meeting— open forum for all

*Showcase is an important part of our skating season and at KWSC we hope that every skater has the opportunity to shine during this special event. As part of the Board of Directors Renew initiative we are seeking members input on improving showcase by holding a special meeting to discuss past successes and challenges and to explore new ideas on how to host this event. For 2010-11 all Fall/Winter skaters will be included in Showcase at no additional fee so we are expecting more participation and may need to change the way we do things. **Everyone's** ideas and comments will be needed and appreciated so **please plan to join us!!***

**Kitchener Waterloo**
