

# KWSC announces a new opportunity for your skaters in Synchronized Skating

For many years KWSC was a leader and innovator in synchronized skating. During the 1980's and 1990's our club created many provincial and national champions in a variety of levels. In 2009 Nexxice won the World championships. The world of synchronized skating has changed in many ways and the athleticism and speed are unbelievable. At KWSC we are rebuilding our programs to better reflect the completeness of KWSC and give our members a chance to learn and compete in synchronized skating, for its own enjoyment, or to provide skaters with additional ice hours and coaching to improve in musicality and skating strength.

For fall 2010 we are introducing a **juvenile synchronized skating team** and are currently accepting registrations for skaters who are under 15 as of July 1<sup>st</sup> 2010. The Juvenile team skates 2 days per week on Thursday 7:40 to 8:40pm and Sunday 4:40pm to 7:05pm plus an off-ice component on Sunday 4:40pm to 5:40pm.

We are looking for skaters who are proficient at crosscuts, three turns and mohawks with speed. This program is recommended for strong second year Junior Star, Intermediate Star or Competitive Development level skaters.

For additional information please contact Susan Ritchie at 519-570-2982 [skating@SusanRitchie.ca](mailto:skating@SusanRitchie.ca) or to register contact Tara Dilgert at KWSC offices 519-886-5972 ext 221 or [tdilgert@kwsc.org](mailto:tdilgert@kwsc.org)
