

Policy # 1.4

Publicity and Consent

The Kitchener-Waterloo Skating Club desires to use our skaters' photographs, interviews and videos to promote their skating successes on our website, as well as through media releases for television, newspapers and Skate Canada.

Consent: I (parent or guardian) give permission to the KWSC to publish my skater's name and/or photograph for the purpose of Club advertisement and promotion. I (parent or guardian) am aware that these names and/or photographs may be used for club advertising purposes, on the club's website or sent to the media. I (parent or guardian) understand the nature and purpose of this consent.

As a courtesy, if you have chosen not to give your permission, the skater should excuse themselves when group photos are being taken.

KWSC does not allow unauthorized photography or videography of skaters without the consent of the skater or parent/guardian.
